Tournament conditions

1. By “participant” we mean everyone playing at least one round at the BrainGames 2023, regardless of age, gender, nationality or club.
2. By registering for the tournament, the participant declares his/her consent to the usage of the tournament data for FIDE ELO calculation by relevant authorities. The participant also grants permission for the publication of his/her games, photos, tournament data, press reports etc.
3. In case of game or result manipulation by forbidden means, the participant declares his/her consent to be subjected to the legislation of the German Chess Federation (Deutscher Schachbund, DSB) according to the DSB statutes.
4. The participant acknowledges that the DSB statutes can be requested from the Tournament Director.
5. The participant ensures that he/she stays at a German residence for least 180 days yearly. If this is not the case, please report to the Tournament Director.
6. Smoking is strictly forbidden inside the tournament hall. There is a smokers’ area outside the building.
7. Mobile phones and other electronic devices have to be switched off inside the tournament hall. Please inform the Tournament Director about exceptions. Sounds and noises coming from an electronic device during the game leads to the loss of the game. Also, the usage of electronic devices during the game without granted permission leads to the loss of the game and an instant expulsion of the participant.
8. The organizer’s liability is excluded in case of accidents or lost objects.
9. On the next page you will find our data protection regulations, which need to be signed by every player at the venue. We’re asking under-aged participants (born after Mar 1st 2007) to hold a hardcopy of the data protection regulations, signed by the primary carer(s), at the venue.

Prize conditions

1. The case of multiple prizes for a single participant is excluded except for the case described in paragraph. 2. In case a participant is qualified for multiple prizes, he/she receives the prize with the highest value. In case a player qualifies for multiple prizes with the same value, following priority is applied:
Rank > Rating > Youth / Senior > Female
2. A participant can win multiple prizes only if winning one individual prize and partly one team prize simultaneously.
3. A participant can not be part of multiple teams. In case of ambiguity, the participant is assigned to the highest ranked team.
4. Pairings and prizes are based on German DWZ Ratings as of Feb 24th 2023 and, in case of missing DWZ ratings, on FIDE ELO ratings as of Feb 1st 2023.
5. Participants with neither a rating nor an official (e.g. federation-signed) document which testifies their strength of play are excluded from any rating prizes, but still can run for ranking, age or gender prizes.

Declaration of consent - GDPR

This declaration of consent is referring to the publication of participants' personal data, in print and online media, taking §7 GDPR into consideration.

The organizer will publish photographs, general and individual results, and winners' lists by using different media and channels of communication (see below). Furthermore, the organizer will submit written statements, press releases, and other tournament-related data to several third party media, and will also submit all match results to the World Chess Federation (FIDE) for the purpose of rapid ELO calculation.

Declaration of consent to photographs and video recordings and to the publication of personal data:

Hereby I consent to the organizers of the rapid chess tournament "Brain Games" creating photographs and/or video recordings and collecting personal data, in the context of the tournament, and utilizing the following channels for publication:

- on the organizer's website (www.ffbopen.de)
- in other printed and digital publications authored and authorized by the organizer
- Rapid chess ELO calculation via the World Chess Federation (FIDE)

For these purposes, I consent to my personal data being stored permanently.

I am aware of the aforementioned personal data, photographs and videos being able to be retrieved by any person. Despite all technical measurements it can't be ruled out, that these persons may use the retrieved personal data, photographs and videos for other purposes, or pass them on to other persons.

This declaration of consent is voluntary and can be revoked anytime (however not retroactively) by contacting the organizers. In case any photograph and/or video containing your personal data is available online, the organizer will remove these as far as possible.
